

The specification and the claims have been amended to better describe the invention of the instant application.

The abstract has been amended accordingly and a new abstract is submitted. In lines 7 and 13 of the abstract the "equalization vessel" has been changed to "control tank". The expression "unequivocal" in line 19 has been changed to "definite".

An early action on the merits of the application is solicited.

Please charge any fees which might be due with respect to Sections 1.16 and 1.17 to the Deposit Account of Herbert L. Lerner, No. 12-1099.

Respectfully submitted,

  
For Applicants
